

Christians are Being Disarmed by the Servants of Satan

by Jeremy James

The LORD destroyed the pagan armies in the wilderness of Tekoa.

Americans have long believed that the security of their nation depends in no small measure on the Second Amendment, namely their right to keep and bear arms. There is no doubt that this has proven to be a sensible provision and has hampered attempts to date to destabilize their nation. However the need to defend and retain the Second Amendment may have blinded many Americans to their only true source of protection – their trust in the LORD God of Abraham, Isaac and Jacob, and their personal relationship with His Son, Jesus Christ of Nazareth.

The Enemy wants to disarm the American people and has staged many gun-related atrocities – some real and some phony – to weaken popular support for the Second Amendment. But he is not simply after your guns. There are two other weapons which he considers far more dangerous. These are the Word of God and effectual, fervent prayer.

Our Greatest Weapons

We have already written about them in *The Enemy is Working Stealthily to Replace Our Two Greatest Weapons* (#86). In it we state:

“True Christian prayer is a deadly weapon and Satan hates it. He knows that even the lowliest believer can do real harm to his cause through genuine Christian prayer. A sickly and bedridden woman, greatly weakened by advanced age, can, through contrite and heartfelt prayer, do much to impede the works of darkness. She does not need 'techniques' or 'attentiveness' or 'centering prayer' or any of that garbage. She simply comes before God with her petition in the name of Jesus. She does not empty her mind but, rather, fills it with God's Word. And she does not rely for a moment on what little strength she has but, like a little child, depends entirely on the Almighty to fulfill her request.”

We noted also that “The Bible does not simply *contain* the Word of God – it *IS* the Word of God. And this is why Satan hates it.”

True Christian Worship

True Christian worship is a glorious blending of prayer with God's Holy Word, shared aloud in an assembly of true believers. If our two weapons are powerful when used separately, how much more powerful they must be when used together. This power is possibly most evident when, as true believers, we assemble and worship in unison as visible witnesses of Christ.

The Enemy knows that Christian worship is dangerous and that it poses a major obstacle to his proposed Luciferian regime, the so-called New World Order. The planned One World Religion will not come about while true Christians are allowed to worship the Living God.

Up to now the servants of Satan have had no real alternative to open persecution. However, the planned Covid ‘pandemic’, with its odious restrictions on human freedom, offers an entirely new way to impede Christian worship. This was clearly one of the many benefits that they expected to reap from this vile exercise in social engineering. Hireling pastors shut their churches to public worship and made no attempt to find alternative ways to assemble. They convinced their congregations that sitting in front of a computer screen was an acceptable form of “worship.” Sadly, most of their members were satisfied with this lifeless surrogate. It didn't occur to them to ask whether the Word of God condoned what they were doing.

See our paper, ***The Great Falling Away***, (#233) for a more detailed discussion of this question.

Satan prohibits singing in church

The planned pandemic continues to give the Antichrist brigade a mechanism by which they can oppress Christianity, all in the name of “health and well-being”. Instead of allowing churches to assemble and worship as before, they must operate in a post-pandemic environment in strict accordance with procedures and guidelines compiled by the state.

In addition to all the usual rules about social distancing, face masks, hygiene protocol, attendance quotas, and contact with common objects, they have included a ban on corporate singing! Not all national guidelines require the wearing of face masks in church, but many, it would seem, have outlawed singing. It is now effectively a crime to sing hymns in church! Apparently the particles of moisture from our breath will travel further when we sing and pose a deadly threat to the health of those around us – even though they are 6 feet away!

Discontinue singing (in rehearsals, services, etc.), chanting, and other practices and performances where there is increased likelihood for transmission from contaminated exhaled droplets. Consider practicing these activities through alternative methods (such as internet streaming) that ensure individual congregation members perform these activities separately in their own homes.

ABOVE: Worship Service rules in California

BELOW: Worship Service rules in the UK

Activities such as singing, chanting, shouting and/or playing of instruments that are blown into should be specifically avoided. This is because there is a possible additional risk of infection in environments where individuals are singing or chanting as a group, and this applies even if social distancing is being observed or face coverings are used.

This shows how far the Marxist-Masonic authorities are prepared to go to stamp out Christian worship. The wicked Kabbalistic philosophy which has poisoned their hearts and minds demands that Christian worship be suppressed wherever possible, all with a view to annihilating, in due course, the Christians themselves.

We already have an annual ritual where ten Chabad rabbis, in full regalia, enter the Oval Office and stand over the President of the United States as he signs a charter which honors the birthday of Rebbe Schneerson, designates the date in question as one of special significance to all Americans, and essentially reaffirms public law 102-14 which makes all Americans subject to the Seven Noahide Laws.

President Trump with the Chabad rabbis, 28 March 2018.

The Noahide Laws are viciously anti-Christian

Despite having a Biblical gloss, these laws are viciously anti-Christian, and any President who endorses them is a traitor. Donald Trump has done so, along with each of his predecessors as far back as Jimmy Carter. Please see our paper, ***The Sinister Purpose of the So-called Noahide Laws*** (#183) for a detailed examination of this deadly plan to impose a Talmudic judicial regime on the American people.

The ban on public worship of Jesus Christ in a choral format is merely a stepping stone toward the complete abolition of all Christian worship.

The Noahide Laws forbid idolatry. The penalty for idolatry is execution by beheading. Since Talmudic Judaism classifies the worship of Jesus Christ as “idolatry,” the full implementation of the Noahide Laws in America – which will take place at the commencement of the New World Order – will legalize the mass execution of all born-again Christians. [See **Appendix A** for an account by a former Congressman of the treasonous way these deadly laws were smuggled onto the statute books.]

If they allow themselves to be oppressed by the Satanic prohibition on singing in church, the hireling pastors and their credulous flocks will actually be taking a giant step closer to the day when the Seven Noahide Laws take full effect.

This is an extremely serious situation. Have no doubt about it! If Christians abandon choral worship and refuse to sing praise to the LORD – because the Baal-worshipping deceivers ordered them to stop – then they have abandoned their faith. It is really that simple.

Choral Praise and Worship - “for His mercy endureth forever”

Christians draw immense strength and comfort from coming together and singing praise to our Heavenly Father.

We must NOT abandon this practice or allow phony science and Marxist lies to limit our ability to worship the LORD!

In 2 Chronicles we are told that the LORD delighted so much in the great choral and instrumental expression of heartfelt praise and worship that He filled the Temple with the “cloud” of His presence – **“for the glory of the LORD had filled the house of God.”**

“Also the Levites which were the singers, all of them of Asaph, of Heman, of Jeduthun, with their sons and their brethren, being arrayed in white linen, having cymbals and psalteries and harps, stood at the east end of the altar, and with them an hundred and twenty priests sounding with trumpets:)

It came even to pass, as the trumpeters and singers were as one, to make one sound to be heard in praising and thanking the LORD; and when they lifted up their voice with the trumpets and cymbals and instruments of musick, and praised the LORD, saying, For he is good; for his mercy endureth for ever: that then the house was filled with a cloud, even the house of the LORD;

So that the priests could not stand to minister by reason of the cloud: for the glory of the LORD had filled the house of God.”

- 2 Chronicles 5:12-14

Hireling pastors and phony elders will make their excuses: “The situation is really quite complicated. We must do what our government tells us. The health of our members is our first consideration...” and so forth. Let them try that on Judgment Day.

God's Laws supersede ALL other laws

Under Romans 13 we obey government laws except where they offend or violate one or more of the Ten Commandments. Also, within a democracy, we are obliged to exercise our right to free speech in order to protect our liberty. Those who fail to do so are giving way to tyranny. In a public forum Jesus called Herod “**that fox**” (Greek *alopex*) – hardly a term of respect – because he was a sly or crafty man. The foxes in positions of leadership in our nation today are just as sly and just as crafty. They sign agreements with a Christ-hating cult to impose by stealth a Talmudic tyranny. Why then should we think them incapable of passing laws whose primary purpose is to prohibit singing during Christian worship?

Such rules and regulations have NOTHING to do with public health. If our political leaders cared a whit about public health they would take the poisons out of vaccines, they would prohibit the sale of opioids, they would remove fluoride from the public water supply, they would stop injecting day-old babies with the harmful Hepatitis B vaccine, they would reduce the dangerously high number of childhood vaccinations, they would defund Planned Parenthood, they would stop endorsing sodomy and gender fluidity, they would teach proper nutrition in our schools ... and much else besides. Most importantly, if they cared about public health, they would disband the CDC – which is nothing but a scheming and deceitful arm of the pharmaceutical industry – and replace the FDA with an institution that has some semblance of scientific integrity.

But these straightforward measures will never be implemented because the cabal who control the government of the United States will never allow such changes to be made. The same cabal is determined to destroy true Biblical Christianity and will implement whatever laws and regulations are needed to accomplish this goal, no matter how absurd, venal or undemocratic they may be.

The Wilderness of Tekoa

Simply by singing praise to the LORD, the small army of Jehoshaphat gained a great victory over the vast army of the Moabites, Ammonites and Edomites at Tekoa. They did not have to raise a single sword in their own defense. The LORD fought on their behalf!

“And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me, O Judah, and ye inhabitants of Jerusalem; Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper.

And when he had consulted with the people, he appointed singers unto the LORD, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the LORD; for his mercy endureth for ever.

And when they began to sing and to praise, the LORD set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.”

– 2 Chronicles 20:20-22

Believe in the LORD your God and sing His praises! -

“Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's.” (2 Chronicles 20:15)

The Talmud, not the Tanach (Old Testament), is the holy book of Rabbinical Judaism. In the English translation it comprises some 26 volumes (about 6200 pages). It is a prodigious commentary on the Torah, often with obsessive analysis of tedious details. The rabbis of old who contibuted to this massive work were not obedient to God's Word but sought instead to find ways to circumvent or modify its true meaning. The written Talmud is the outcome of this huge intellectual exercise. Many passages sanction attitudes and beliefs which conflict with true Biblical Christianity, sometimes in ways that are too vile to record.

CONCLUSION

If the Christians of America submit to these Marxist thugs, if they bow to the Luciferian cult of Freemasonry and Kabbala, then they are stepping off a cliff. Our Heavenly Father can protect us from all evil and all harm, but only if we walk in faith and obedience. A church that abandons choral worship for fear of the Enemy has turned its back on God. Such a church has been disarmed and will not survive.

APPENDIX A

Extract from a paper or exposé by former Congressman William Dannemeyer (1979-1992) on the Noahide Laws and their subversive introduction into the Public Laws of the United States

Your U.S. government can now legally kill Christians for the “crime” of worshipping Jesus Christ! A diabolic deception has been perpetrated on the American people by their OWN leaders, Senators and Congressmen, who have sold their soul to the devil. On March 5, 1991, in the House of Representatives, and March 7, 1991, in the U.S. Senate, without any knowledge of, or input by, the people of the United States, U.S. Senators and Congressmen passed a law that is so outrageous – and frankly unconstitutional – that it forces the American people to be bound by a set of monstrous rules, called the Noahide Laws, rules that make the belief in Jesus Christ a crime punishable by decapitation by guillotine! On March 20, 1991, President George H.W. Bush, a supposed Christian, signed the bill into law.

Before you respond, “NO, that cannot be – not in our free country!” let me explain.

The passage of this law, HJ Res. 104, is especially troublesome to me because I was a member of the U.S. House of Representatives at the time it was passed. Even worse, I was in the House Chamber the very day that it was passed, voting on other legislation. Yet I, as a U.S. Congressman, had NO KNOWLEDGE that it had been passed or even that it was to be brought up for a vote.

How could this be? How could the deception be so pervasive that those of us who had sworn to uphold our country’s Constitution, particularly those of us (few, indeed) who really took our position seriously as the protectors of the people, could be totally in the dark regarding the content of this bill and its passage by the leaders of this country – by treachery and deceit?

Here’s how it happened!

On January 31, 1991, an innocuous-sounding Resolution was introduced, designating March 26, 1991 as “Education Day, USA.” It was purposely given this name to deceive the American people. It was, in fact, a Double Deception because not only did the Resolution have nothing to do with “Education,” it was also deceptively billed as a vehicle for recognizing the eighty-ninth birthday of Rabbi Menachem Mendel Schneerson. But in truth, the Resolution was nothing less than a secret, under-handed plot to control the American people by the Noahide Laws – a subterfuge for the elimination of Christianity, the elimination of all Christians, and the enslavement of all remaining “Gentiles.”

The Resolution, first introduced by Minority Leader, Rep. Robert H. Michel of Illinois, was then referred to the House Post Office and Civil Service Committee.

Early in March 1991, 225 members of the House had signed on as co-sponsors of this Resolution, but it is highly doubtful they were given the full text of the document. They were probably told only that it was a Resolution in honor of Rabbi Schneerson’s birthday. Most likely they had no knowledge that the treacherous Noahide Laws were a silent attachment. I was not one of the co-sponsors.

The committee referred this Resolution to the House for a vote on March 5, 1991. But here is where the real treachery begins! The record states that the House of Representatives passed this Resolution by “Unanimous Consent.” But what the average American does not know is that “Unanimous Consent” is a euphemism for getting a bill passed “under the radar” with almost NO ONE present to vote AND with NO RECORD of who voted or HOW they voted.

A Congressman’s ears prick up when he hears the words “Unanimous Consent” because he is aware that this may be a signal for skullduggery. And in this case, it most certainly was!

On the day this Resolution was “passed,” the entire membership of the House of Representatives had already been dismissed after having been told that the day’s work, including all the voting, was over. We could all go home.

It was THEN, after virtually ALL members had left, that the traitorous authors of this Resolution brought it up for a vote on the House floor – with only four hand-picked members present. It was then deceitfully “passed” by “Unanimous Consent” on March 5, 1991, by voice vote with almost NO ONE there and NO RECORD made of their names or how they voted.

Two days later, on March 7 1991, the U.S. Senate passed the Resolution by voice vote, also with no recorded vote. On March 20, 1991, it was signed by President George H. W. Bush and became Public Law 102-14.
